

## Meeting Minutes 19/11/2012:

- Discussion on past week's meetings
  - Peter Koen/water hyacinth:
    - R600,000 cost estimate seemed low
    - Hyacinth would need to be shredded to be composted
  - Parks:
    - Sports and Rec. is a subset of Parks
    - Still need a separate reservation from each department
    - Ask Quinton: At what point does profit from a community garden warrant a lease?
    - Can built a shed without worrying about issues
  - Property Management:
    - Sports and Recreation would have to control whole land then sublet to other departments (like Parks)
- Proposal
  - In walking tour: put shared space of Sports and Recreation at driving range
  - Look into potential of farmer's market at the driving range
  - Don't worry about overlap in topics since it shows the importance
  - Be clear about phase approach in Intro
    - Green energy and security from last year's proposal
    - Focus on side of river with MGW
  - Focus on garden and footpath
  - Use education during holiday to interest Sports and Rec. in community garden (like camp)
  - Send
    - To Scott and Bob first
    - Juan, Crispin and Clive after advisor review
- Future Plans
  - Potential meeting next week: 28/11/2012
  - Meet with Brian Watkyns
  - Meet with Quinton
  - Visit Edith Stephons: storm water detention point with multifunctional space
  - Visit Biscuit Mall for trading market
