

K2 Community Hall Sketches and Designs

Drawings

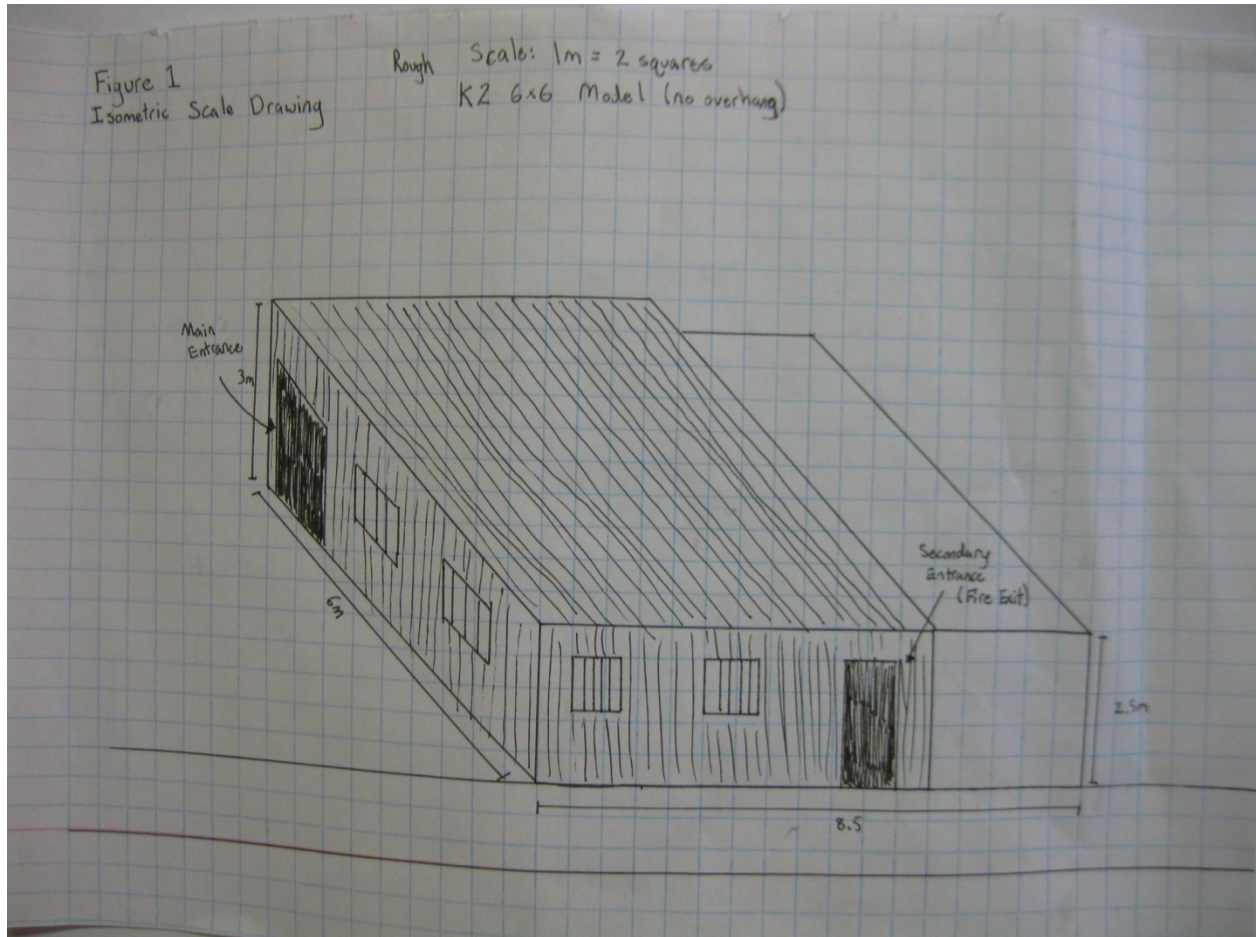

Figure 1: Isometric Scale Drawing

Figure 2
North View Sketch (Not to Scale)

Perks of K2 6x6 vs K2 12x8

- Easier
- Faster
- does not block ~~any~~ any paths
- don't need to move Midus house
- cheaper
- easy drainage
- room for improvement
- ~~need~~ need to move net ball might not

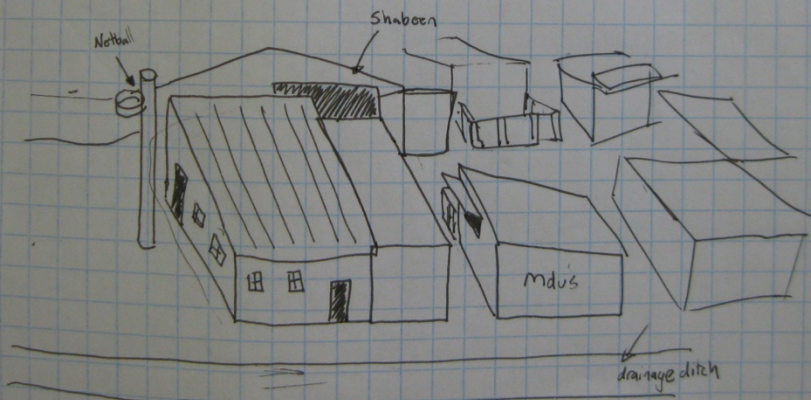

Figure 2: North View Sketch

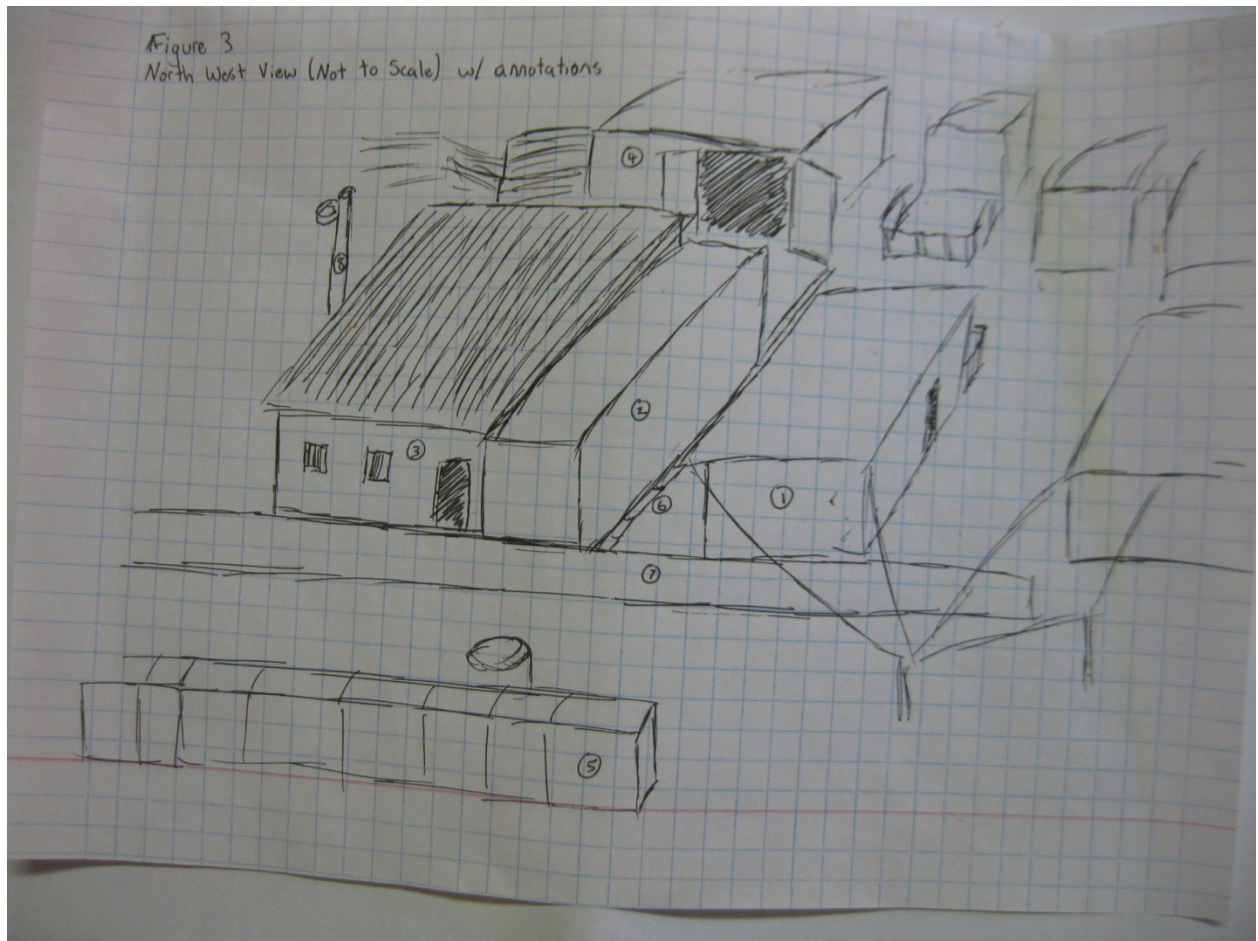

Figure 3: Northwest View

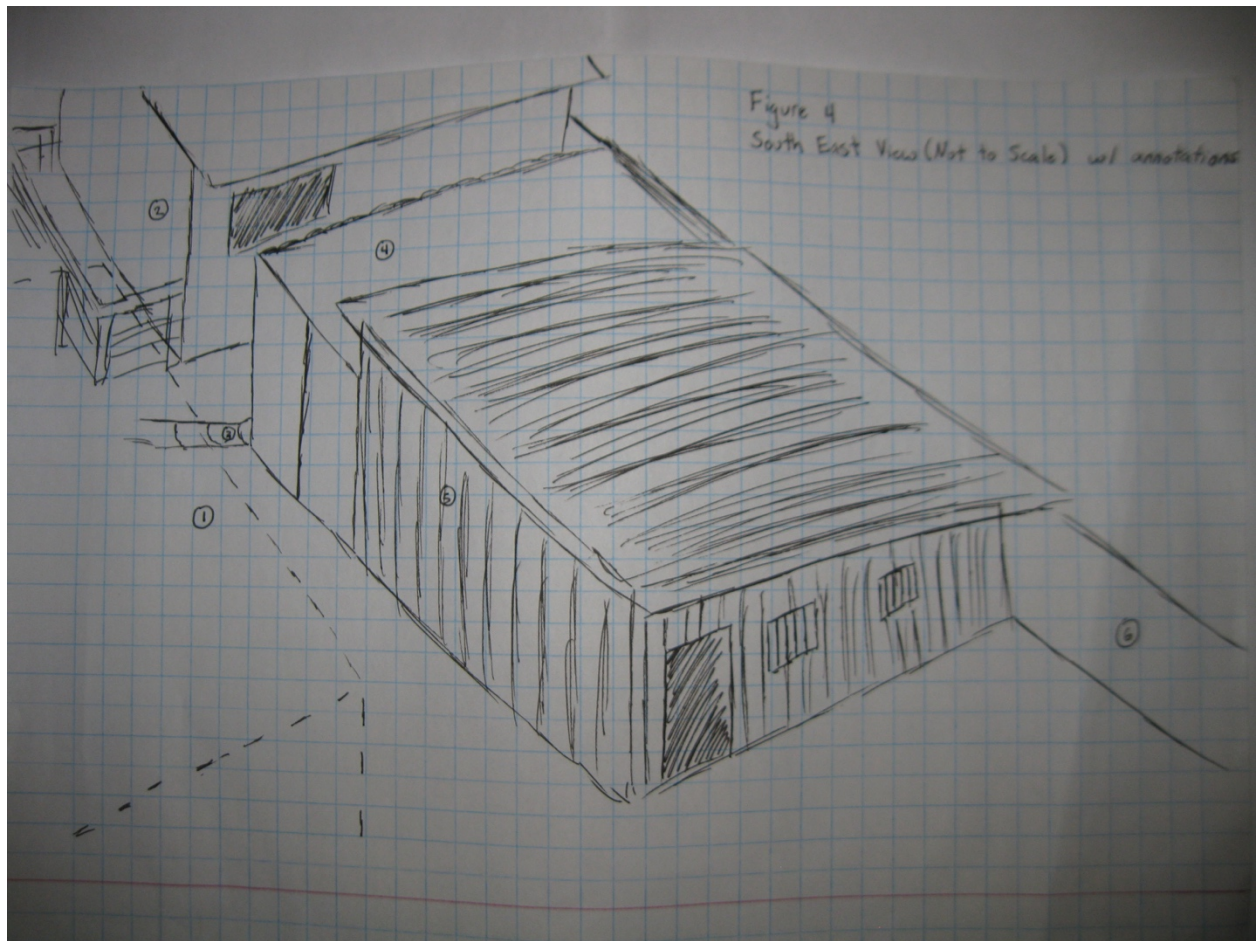

Figure 4: Southeast View

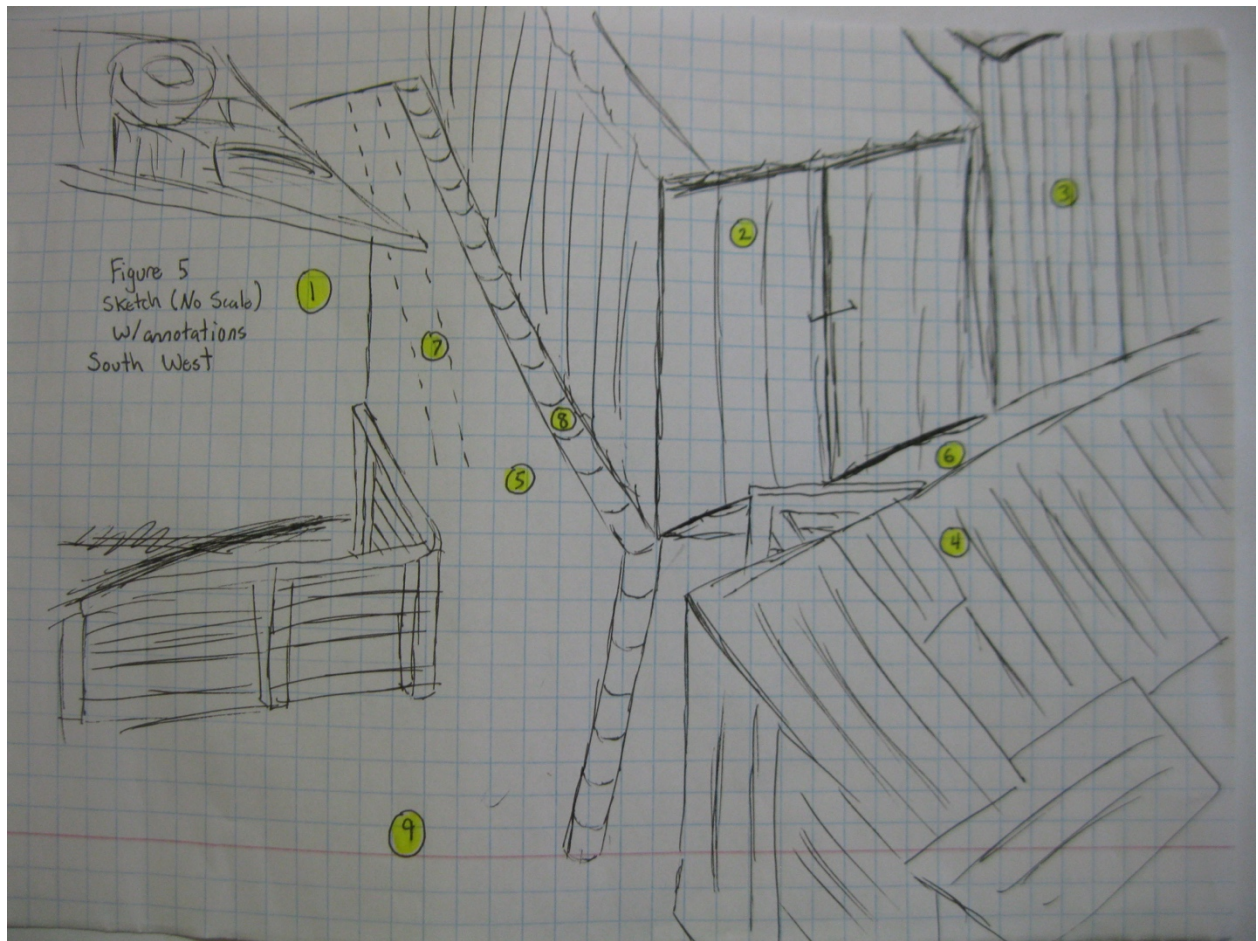

Figure 5: Southwest View

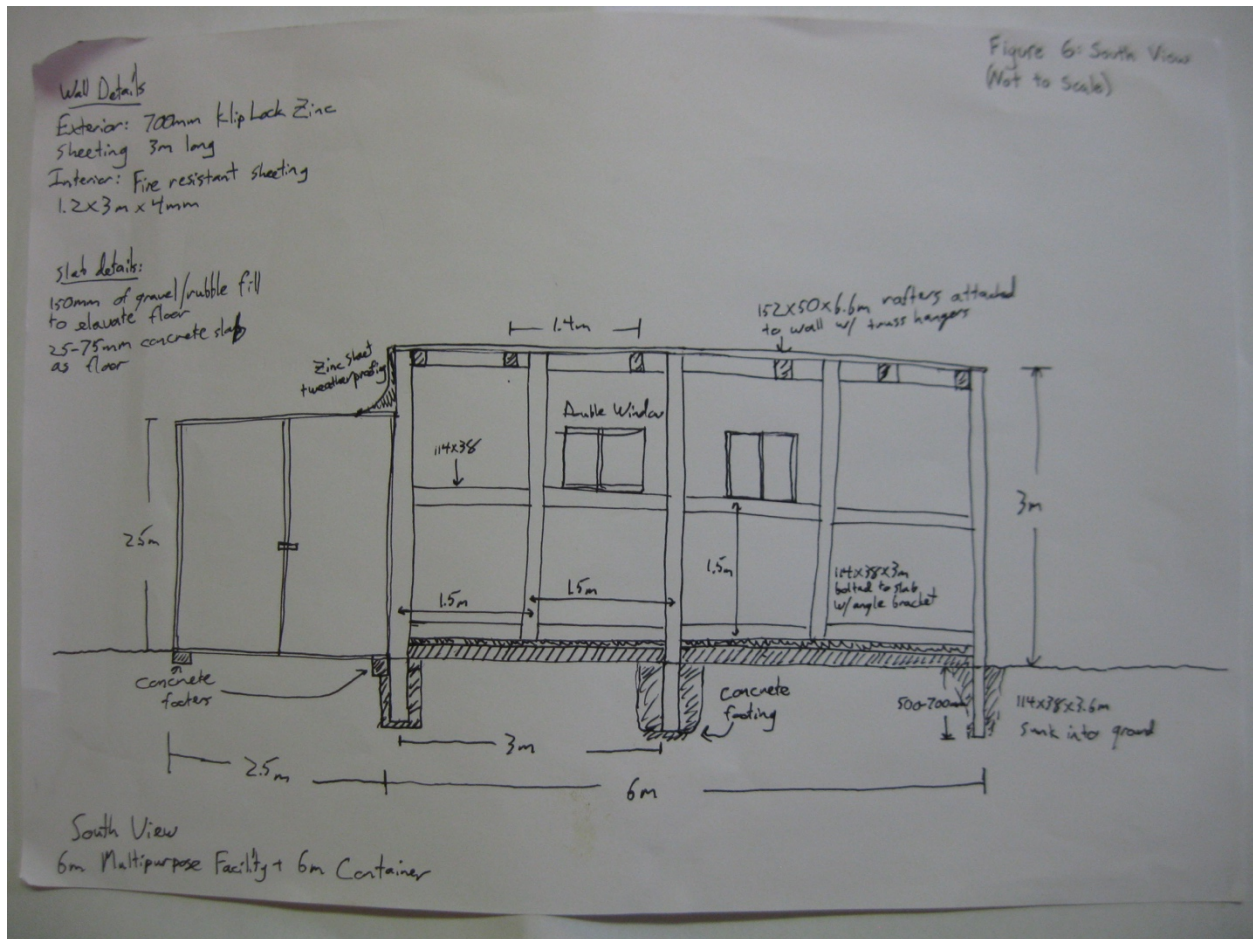

Figure 6: South View

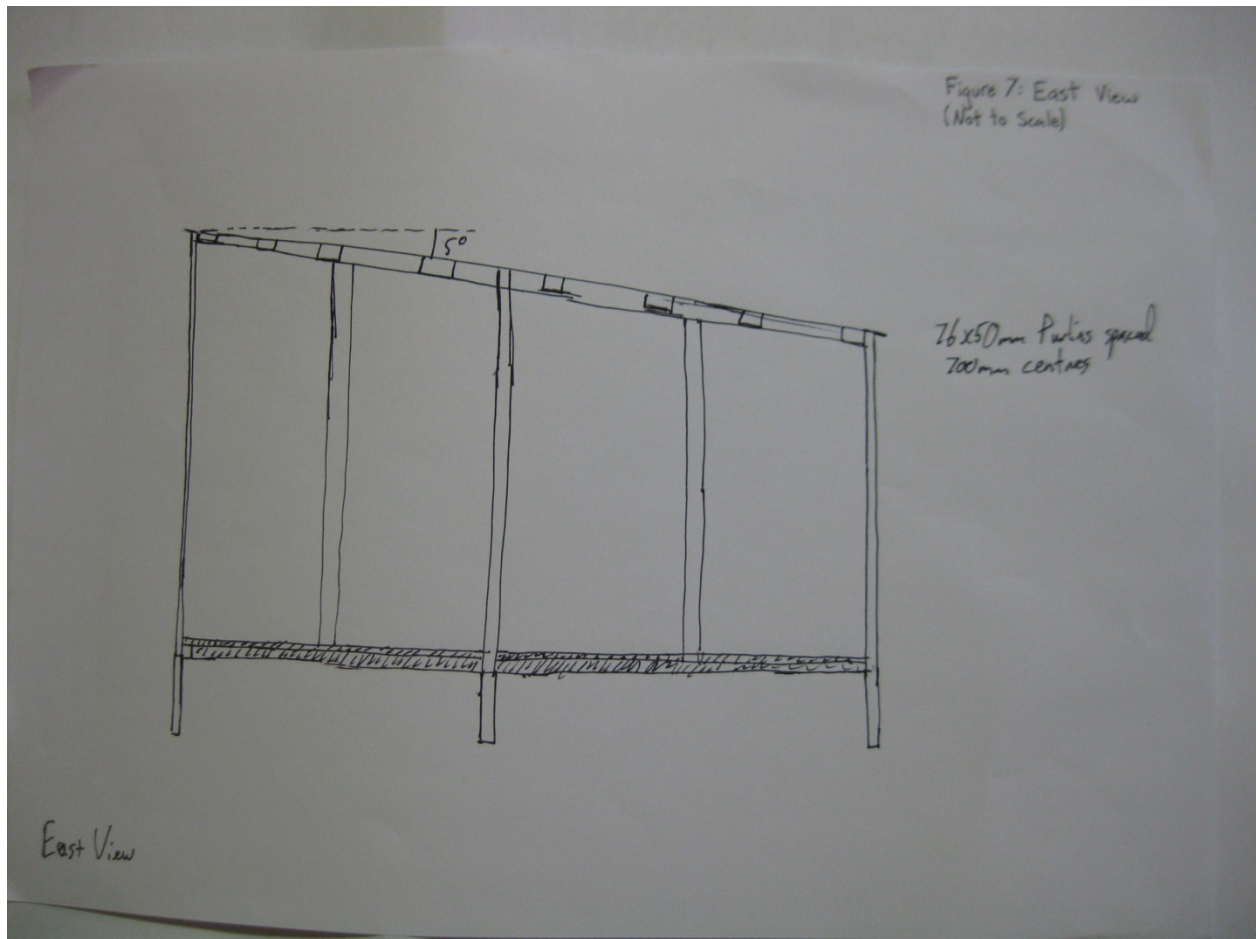

Figure 7: East View

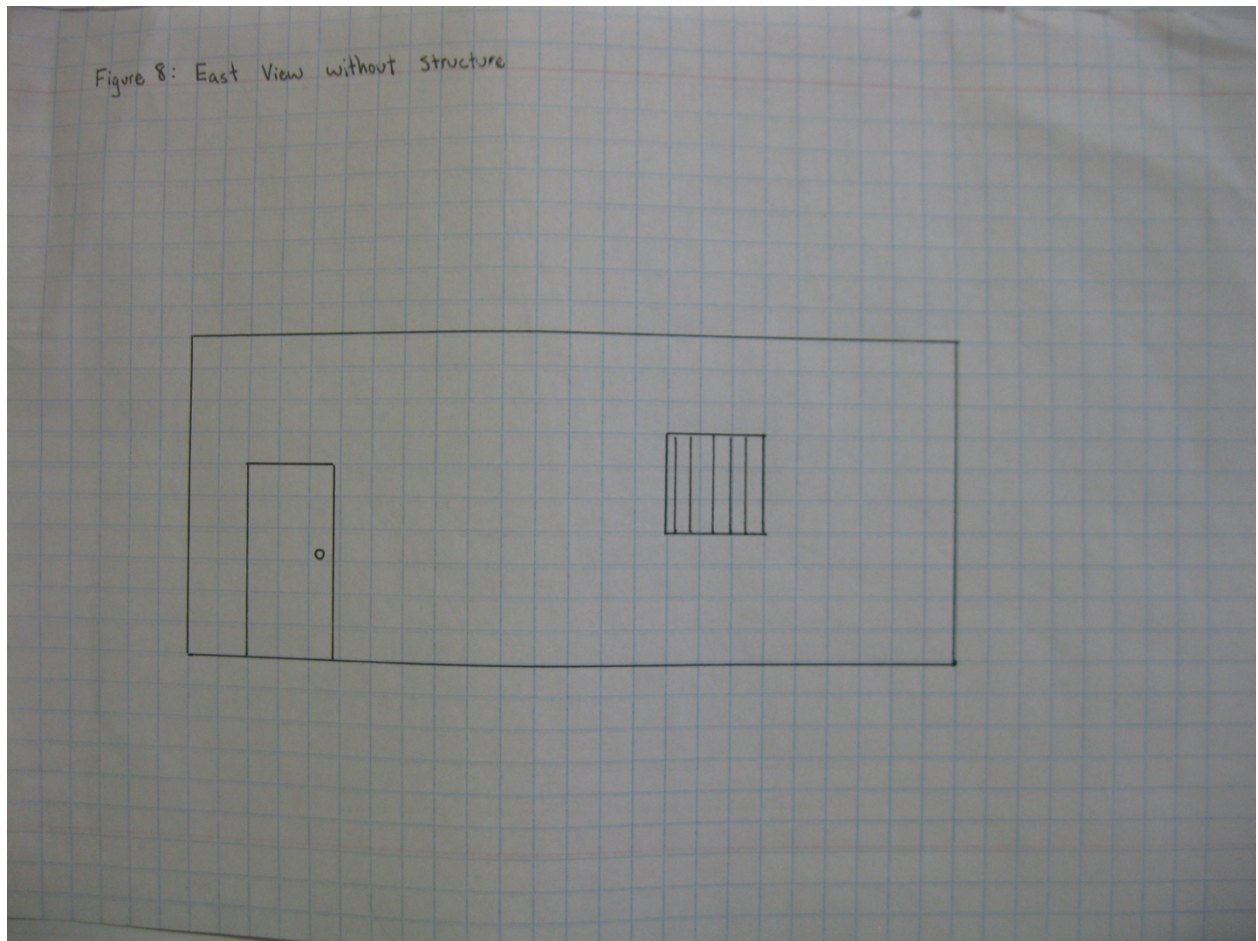

Figure 8: East View of Container without Structure

Final Design
